

\$ETHBULL Privacy Policy

Introduction

This Privacy Policy applies to officialethbulltoken.com and outlines \$ETHBULL Token's practices for collecting, using, and protecting personal data. Using the platform implies consent to these practices. By using the Company's services, users agree to this Privacy Policy.

Data Collection

We may gather the following information:

- Voluntary Data: Email addresses or wallet addresses provided via forms or for airdrops.
- Transactions: Blockchain addresses, amounts, and timestamps.
- Digital Activity: IP addresses, browser types, device info, and operating systems.

We do not collect sensitive personal information, such as government-issued IDs, unless explicitly provided.

Data Use

Data is used for:

- Processing transactions.
- Providing customer support.
- Improving platform functionality and security.
- Sending service-related updates.
- Complying with legal obligations.

Data Protection

The Company employs:

- Encryption for data security.
- Access restrictions to authorized personnel.

Third-Party Services

This policy does not cover linked third-party sites or services. Review their privacy policies separately.

User Rights

Users can:

- Adjust communication preferences.
- Disable cookies (may affect functionality; see Cookies Policy).
- Note: Data is retained as needed or required by law.

Minors

Services are not for those under 18. The Company does not knowingly collect minors' data.

Policy Updates

The Company may update this policy. Changes are effective upon posting. Continued use implies acceptance.
